2014 CAMPERSHIP PROCESS & WORKSHEET

Campership Application Process & Worksheet

To be eligible, the following guidelines must be met by the youth applicant:

- Registered within the Michigan Crossroads Council **and** in good standing for at least **30 days** prior to completing an application.
- Youth attending a Michigan Crossroads Council operated Summer Camp (Day Camp, Cub Scout Resident Camp, Webelos Resident Camp, or Boy Scout Resident Camp)
- Youth attending an Official Field Service Council, District, Area or National Training Conference. I.E. NYLT (National Youth Leader Training)
- Recommended by his/her Unit Leader (Committee Chair, Cubmaster, Scoutmaster, or Advisor) **and** Parent/Guardian. When a Unit Leader enters the information in to the Michigan Crossroads Council website it is their responsibility to ensure all parties are in agreement with the information provided.

We urge your assistance in applying for camperships for youth who could not attend camp without financial assistance.

In keeping with the philosophy of “pay your own way”, each youth should pay a portion of the fee. The Field Service Council also reserves the right to consider the unit’s participation in Council administered product sales as demonstrating a concerted effort to raise these funds. The family and unit should also contribute to the cost of the camp experience. Camperships awarded will not exceed 50% of the event fee.

Applying for campership aid must be done online via the Michigan Crossroads Council Website at <http://www.michiganscouting.org/Camperships> by **APRIL 1st** to allow time for review and response. If approved, the campership amount will be sent to the camp or to the National Conference when registration of the individual is confirmed. Fees will be credited as camp payment in the Scout’s name within the Michigan Crossroads Council Summer Camp Reservations portion of its website. The campership is to a specific individual and is not transferable to other youth.

1. Apply online separately for each Scout needing assistance. All information requested on this WORKSHEET is needed when applying online.
2. Assistance will be determined based on need.
3. **All requests must be submitted online by APRIL 1st. Check with your Field Service Council if there are needs after April 1st as to how they would like to handle those requests.**
4. Your request will be reviewed by committee within the Field Service Council the applicant is registered in. Campership awards and information is confidential and will not be shared outside of the campership committee
5. After review notification will be done by the Field Service Council to the Campership Recipient’s family and Unit Leadership including the assistance decision.
6. Assistance funds will be credited to each Scout when they attend the event they applied for. Funds are only usable by the individual whom the assistance was granted.
7. Completeness of the information when applying online will help determine campership allocations.
8. Scouts are only eligible to receive one form of financial assistance.

Thrifty: A Scout works to pay his own way and help others. He saves for the future. He protects and conserves natural resources. He carefully uses time and property.
